Dear Sonya:

On behalf of the Board of Directors, Trail Stewards and Membership of the Cole Harbour Parks and Trails Association, it is my pleasure to extend our sincere congratulations to you for your tremendous accomplishments. Of particular note is the sharing of more than 1,000 species of wildlife including 400 species of birds along the Trans Canada Trail and your promotion of youth engagement in the natural environment in their own communities. Encouraging this connection with youth will help to ensure we have the natural world for years to come. Your commitment to hiking the TCT from coast to coast is remarkable as well.

It was our pleasure to provide encouragement to you and your expedition partner during your visit to this section of the TCT.

We wish you all the best in your future endeavours and hope to see you again someday enjoying the various trails here in Cole Harbour.

Best,

Janice Bishop
